Dear Ruth and Members of the Mississippi Zone LWML,

Thank you very much for your generous donation of \$220.94, which was collected at the Fall Rally's afternoon worship service. Your monetary gift to our school is greatly appreciated.

Thank you also for all the Campbell's labels, Box Tops, Community Coffee UPC labels, and Tyson labels that you all have sent to our school.

Educational supplies are always needed to better the education of our students, and thoughtful and sacrificial giving like yours over the last several years goes a long way toward bringing a good, solid Christian education to children who need it. Once again, thank you!

We very much appreciate your monetary gift, donations and support for our school.

In Christ's love,

Carolyn Sawyer
Director
